5. Do the work sheet given below:

# My Breakfast

## Read the text:

Hi! I'm Peter Swanton and I live in Newcastle with my parents and our lovely cat Pussy.

We live in a very big flat on the second floor. My room is not big but it is very comfortable for me. I like to spend my time here playing computer games or reading books.

I like a lot of things but I don't like mornings. I don't like to get very early in the morning. It is difficult for me. But let me tell you one story.

One morning my mum called me for breakfast. I was rather sleepy but I took a quick shower, combed my hair and appeared in the kitchen. The table was already laid and I saw that awful porridge cooked for me. I hated that porridge! I couldn't eat it at all. I ate the fruit salad, drank a glass of milk but I didn't want to eat that porridge. When my mum went out of the kitchen I quickly opened the window and threw the porridge out of the window. When my mum returned she saw that there was no porridge on my plate. She was pleased and I was happy. Suddenly somebody knocked at the door. When my mum opened the door she saw a woman with that porridge on her head! My mum understood everything. She apologized and helped that woman to clean her hair. I was awfully ashamed. Of course, my mum punished me. But now I eat this porridge without any words.
