SUMMER VACATIONS HOMEWORK

SESSION -2023-24

CLASS-VIII

Have a nice summer vacation,
visit all the places and
enjoy great moments each day.
Happy Summer Holidays.

'Let all your worries and stress go away this summer and enjoy every minute of it.'

Dear children,

With summer heat on, it's time for much awaited summer vacation. It is time for you to unwind, relax and find time to do things you enjoy the most. You can utilise the leisure time to enhance your existing skills or learning new ones and develop new and interesting hobbies as well. It is also an excellent opportunity to become friends with books.

You are full of potential and promise to gear up and spread your imagination and use these holidays to further enhance your skills and personality.

The holidays work has been planned to help you to not only revise the concepts already learnt but also to explore and stretch your knowledge.

Here are some tips for summer break.

1. Follow a routine. Avoid sleeping at irregular times.
2. Enjoy summer fruits, nutritious food and drink lots of water.
3. Stay safe indoors.
4. Observe things around the environment.
5. Help your parents with household chores.
