Holiday Homework (Session 2023-24)

CLASS-NURSERY

Dear Parent,

Summer holidays are here again to give us respite from the scorching heat. We hope that our children will enjoy their vacation time as well as polish their

Skills.

Children learn through experiences and play. There are many ways in which you can support them in gaining knowledge and understanding as well as strengthen the parent-child bond.

Some things you as a parent can do are

- Take your child on a nature walk.
- Play simple games with your child.
- Make simple conversations
- Involve them in little household chores
- Recite a story to them.

😊 Try to converse in English with them

HAPPY SUMMER

BREAK 😊
