INSTRUCTIONS DEAR PARENTS

Summer holidays are here again to give us a respite from the scorching heat. We hope that our children will enjoy their vacation time as well as polish their skills.

Children learn through experiences and play. There are many ways in which you can support them in gaining knowledge and understanding as well as strengthen the parent child bond.

Some things you can do as a parent:

1. Take your child to the nature walk.
2. Play simple games with your child.
3. Make simple conversations.
4. Involve them in little house hold tasks.
5. Narrate short stories to them.
6. Try to converse in English with them.
